Buzz Academy

Buzz Academy presents one-hour sessions by top appraisers and industry experts. These sessions are included with a trade show pass and conveniently located in a classroom next to the trade show floor. 

Continuing Education

We have multiple CE providers with a range of courses for you to pick from. You can take as few as 7 hours or as many as 15 hours. CE course approvals can be found on our website at Valuation2020.com. 

On Stage Interviews

On Stage interviews give appraisers a front row seat to insights from industry leaders. These 20-minute interviews show you what they're thinking and allow you to ask questions. 

Land Shark Pitches

Land Shark Pitches let you take a quick break from networking to listen to vendors previewing their newest products and software. If your interest is piqued, then stroll over to their booth or meeting room to learn more. 

Prize Giveaway

A Prize Giveaway every hour! Exhibitors provide fun and exciting prizes appraisers love. You are eligible to win every hour, but you must be present to win.
